GlowBed Showroom Partner Programme

Terms for GlowBed owners who let others see and try their bed.

> **Earn £300 for every GlowBed we sell to someone who tried yours first.**

1. Who can join

- Any business or person who owns a GlowBed Pro or GlowBed Studio bought from bodybud (Body Bud Ltd).
- You join by telling us in writing (email is fine) that you are happy to host viewings. We confirm by email.

2. What you do

- Let interested buyers see and try your GlowBed at times that suit you. You can say no to any viewing.
- Viewings are arranged through us, or you introduce the buyer to us yourself.
- Talk about your own experience. Please don't quote prices or make health or medical claims; we handle quotes and orders.

3. What you earn

- £300 for each GlowBed sold by bodybud to a buyer who viewed or tried your bed before ordering.
- The buyer must order within 6 months of their viewing.
- One payout per bed sold. If a buyer tried more than one partner's bed, the first recorded viewing counts.
- Your own purchases, and purchases by your own business, don't count.

4. How we record a viewing

- Viewings we arrange are logged by us automatically.
- If you introduce a buyer yourself, email us their name before they order, or the buyer can name you when they order.

5. When you are paid

- Once the buyer's GlowBed has been delivered and paid for in full.
- We pay by bank transfer within 30 days of that. Businesses send us an invoice; individuals get a payment statement from us.
- If the order is cancelled or refunded, no payout is due (or it is reversed if already paid).

6. Good to know

- You are responsible for any tax due on what you earn.
- We only share a buyer's details with you, or yours with them, with their consent.
- You are not our employee or agent and can't make promises on our behalf.
- We can change or end the programme with 30 days' notice by email. Viewings that took place before the end date are still paid under these terms.
